ed a low conjent laugh at his joke.

drawing on it after that fashion. her parents in rags, for something to Then you won't become a bankrupt to eat. That's what came of the fun of maintain our social position?"

"No, I won't," said Boggs. "Then I give you due notice that I shall receive or make no more calls. I shall give up our pow in the church and take the children cut of school. I

The October immers of red and gold were hing gayly out, and a crisp frostiness was in the air that brought warm, glowing tints to Lily Richmond's cheeks, as she and Philip Elemond's cheeks cheeks cheeks cheeks cheeks cheeks cheeks cheeks cheeks c gress," said, "Dark as pitch," nul up an ax and knocked the head of the "Life logarnest, life is real," and the hopes the Smollett said, "Pacts are stubburn other keg in and (here he was interees have been picked out of a vast lit- selves." It was a case of premature

A newspaper came as a package wrapper into a farm-house near Cleveham of the great world outside of this "Go into bankruptcy?" repeated secluded farm. Clara, an eighteenyear old daughter of the house, was Butter "Because It is the fashion," replied charmed with it, and charmed with its

her throat as she listened, and she name in the newspapers of the world living in a city, wanted to make the acquainiance of a lively country girl, "I don't want my name in the pa- through a correspondence. It was just to have a little fun—that was all. "That's the way; always behind Clara thought she filled the conditions every body else. We never could of a lively country girl and wrote. hold our own along with our neigh. He wrote; his letter looked right. It Eggs

"But we conbin't hold our own if I breeding. It was delightful to Clara went into bankruptcy," persisted Mr. to have a city correspondent, a nice young man whom she had never seen. "Nonsense," cried Mrs. B. "Don't but already admired for his penmanthe Squiggses, who went into bank- ship and sentiments. Besides, he told ply. This was flattering to her. She "So that you can file your petition. knew no better than to believe it, and Do it this very day and it will be in her own girlish vanity helped to snare the morning papers. Then your wife her. Of all this Clara's parents knew and children can hold their heads up nothing for some time. At length he with the best of 'em. Some how I wanted a meeting, and she told the feel that we are under a sort of cloud old folks how she had been amusing now. People look at us as much as herself. A meeting could do no to say, 'There something the matter harm, she thought, it was all pure fun. Her parents thought different-"Mrs. Boggs, I never take advan-ly, but through her earnest solicitations they at length consented, and "I know it. And that's what keeps Clara and her correspondent met. She us under. But couldn't you put in a thought his person as fine as his wripetition? You know there is a petiting and as noble as his sentiments. He loved, she loved, but the parents they did not love. The young tellow "Woman, how foolishly you talk. was too flashily dressed to suit them -plaia, country people, as they were. He was too loud for the modest scope "But I do know that we are getting of a farm house. But at length the left, and it won't be long, you will old folks gave way to an engagement,

riage in that honse, and the flower of the farm lest for the city a happy "I have liabilities," replied Boggs, bride. Her romance had become reality. What money the old filks "Oh, you're too nice for any thing could scrape together went with her to where the welfare of your family is make easy the beginning of lile. In ed to her country home with the look "I wouldn't have any if I did as of twenty years more age and experi-

lived a long life in two short months "Why, the ass-sets around all day He did not turn cut to be what she doing nothing, and it is no wonder expected. He was a gambler, and that he had to apply to the bankrupt luck was against him. She though court for relief." Then Boggs laugh- he was a broker and the deception broke her heart. He spent all her Said Mrs. B. tartly, "you'll bank- dower and pawned her extra clothes rupt your stuck of wit il you keep and then she was forced to return to

answering a "personal," addressed to

Quite a sensation has been created la the Amity church, Aia., by a pine we have gone into the country and we will all live in the kitchen. If we persons of both colors visited the place will all live in the kitchen. If we persons of both colors visited the place drake, Yellow Dock — with the iodides by link can't do like the rest of folks and he recently to hear the dolefol sounds. can't do like the rest of folks and be somebody, there is no use trying to live."

With the colored people the interest efficacious medicine yet known for the diseases it is intended to cure. Its lugredients are so skilfully combined, that the full alterative effect of

tentions or the fair Sylvia's attraction so obfusicated but that he knew After a short time spent in rolling theman from Kentucky ought to retions."

That afternoon Mrs. Clandesley was uncommonly fascinating, and Mr. Merie stayed longer than he expected to be an appoint of the superiority of the second to assure the superiority of the superio Merie stayed longer than he expected haby's cradle and began rocking it around the track. The mare led gal-

mer and Lily Richmond driving part of his deep laid scheme that she heriskly along behind the Colonel's should, and called out: "Why, what should, and called out: "Why, what and, laying his ears back on his neck unbles overboard in a storm. They thoroughbreds. And a little appeallug look on Lily's face, as they exlug look on

The Antecedents of Disease

And he lifted his hat with a careless smile, that smote her like a blow, and that made Colonel Elmer compress his lips in wrath at the "concelted puppyism of the rascal who dared
triffe with such a little darling as Lily
Richmond."
